While a half bath and private den accommodates your needs for immediate respite. Continue to the back of the home where the generous kitchen with large island and walk-in pantry open to separate dining and great room spaces. Upstairs keep the family retreat separate from the entertaining space on the main floor with two bedrooms, full bath, well-appointed loft, and second-floor laundry room. The private primary suite completes the second floor and is tucked away from the other bedrooms, offering privacy as well as ample space in the bedroom, primary bath and walk-in closet.
